

**Do you have a child in school between
Kindergarten – 12 grade?**

**AB 895 has now been enacted and
you can get the help you need for your child**

**Half of all mental illnesses begin
before the age of 14**

**AB 895 gives money to California school districts for
mental health services for your child at no cost to you**

Only 1 in 5 children get the help they need

**Parents are strongly advised to seek the help that
AB 895 can provide for their child while funds last**
